

AccessMod 5 user manual

Welcome to AccessMod 5 user manual!

If you are looking at the printed/pdf version of this manual, make sure to also check the online version of AccessMod 5 manual, which is always the most up-to-date version, in English (<https://doc-accessmod.unepgrid.ch/display/EN>) or French (<https://doc-accessmod.unepgrid.ch/display/FRAN>).

The main Accessmod website is found here: <https://accessmod.org>

Please see the AccessMod GitHub page for a full list of all changes and bug fixes: https://github.com/fxi/AccessMod_shiny/blob/devel/changes.md

Document version control

Manual Version	Date of version	Name of editor (s)	AccessMod version	Changes
5.6.25	28.11.2019	N. Ray	5.6.25	Faster computation of large countries at high resolution; import and export of full projects (settings and data); geographic coverage analysis is now possible without consideration of maximum capacity; automatic adjustment of population census in "correct for population" module; more precision in output of the referral module.
5.6.11.2	1.9.2019	N. Ray	5.6.11.2	New class raster "imported travel time" to import travel time raster produced elsewhere. Conversion in integer format of the imported "land cover" raster. Improved visibility of new available version of the software.
5.6.4	10.6.2019	N. Ray	5.6.4	Updated new links to online manuals. Updated the "stack item" description in 5.5.2 to account for change in behaviour. Updated 5.5.6 for the description of max. travel time.
5.6.0	1.5.2019	N. Ray, Y. Guigoz	5.6.0	Updated several parts of the user guide to account for the major version 5.6 release
5.3.2.1	8.4.2019	N. Ray	5.3.2	Updated various parts of the user guide with the suggested improvements listed in issue #155 on Github
5.3.2	11.3.2019	N. Ray	5.3.2	Updated various parts of the user guide, and all screenshots, to reflect the new functionalities
5.2.1	29.9.2018	N. Ray, S. Ebener	5.2.1	Updated several parts of the user guide to reflect the new functionalities in version 5.2.1 and improve some parts of the text
5.2.1	29.9.2018	N. Ray, S. Ebener	5.2.1	Updated several parts of the user guide to reflect the new functionalities in version 5.2.1 and improve some parts of the text

5.1.12	11.05.2018	N. Ray	5.1.12	Edited version with description of the new facility selector/filter tool. Add details about AccessMod update under section 5.1. New numbering scheme for the document (it now matches the AccessMod version on which it is based)
1.1.0	01.07.2017	N. Ray, S. Ebener	5.0.7	Edited version taken into accounts comments/edits from: Michelle Schmitz, Karin Stenberg, Andrew Curtis
1.0.0	24.06.2017	N. Ray, S. Ebener, F. Moser	5.0.7	Initial complete document
